

Sustainable Finance Disclosure
Regulation

European Capital Partners

European Capital Partners (Luxembourg) SA (hereinafter named ECP) is a management company within the meaning of Article 101 (2) of the law of 17 December 2010 on undertakings for collective investment and within the meaning of Article 5 (2) of the law of 12 July 2013 on alternative investment fund managers. ECP is authorized to manage UCITS approved in accordance with Directive 2009/65/EC and to manage AIF.

Principal adverse impact statement under SFDR

While the Management Company generally takes into account certain Sustainability Risks in its investment management activity, the Management Company does currently not evaluate the adverse impacts of investment decisions made on a uniform set of sustainability factors with respect to all UCIs and AIFs managed by the Management Company given the overall difficulties in collecting the necessary information including those from delegates and advisers and the resources required to put in place the necessary processes.
